

COST RECOVERY SCHEDULE - EFFECTIVE MAY 1, 2019

COSTS ASSOCIATED WITH YOUR ACCOUNT

We want to thank our valued members for assisting in the recovery of our operating costs through the payment of service charges. To avoid service charges, choose an account that fits you, use Direct Deposit, avoid late fees and NSF checks, set up automatic payments and transfers and use our online and mobile banking alert services to be made aware of low balances or payment due dates. Should you have an unexpected fee, members can use reward points for a partial refund on miscellaneous fees.
